

Hello Consigners!!

GET READY, GET SET, GOOOOOO!!!!!!

We are so excited about the 2012 Spring Everyone Wins Kids Consignment Sale! As we told you last fall, we are changing to a computerized tagging system beginning this year. The website has been completely revamped with all of the new information (including materials needed) and important dates. Please read through ALL of the new material and review the "old stuff".

Returning Consigners still need to register for **each** sale, but you will now be using the new program rather than emails, phone calls, or Facebook. **YOU CAN ONLY REGISTER FOR THE SALES THROUGH THE NEW SALE MANAGER SOFTWARE!!!** All links and instructions are provided on our website: www.everyonewinskidsale.net.

Registration for the 2012 Spring sale will begin on **January 27, 2012 at 7:00am.** (Remember online registration ONLY.) We will be accepting **400** consigners. As always, registration is on a first come, first serve basis. We will be opening registration to new consigners on **February 10, 2012 at 7:00am.** PLEASE register as soon as possible. Once we reach 400 consigners, the sale manager program will lock out anyone who is not registered. We filled our consigner spots in only 2 short weeks last fall! (If you register, but decide NOT to participate in the sale afterall, please "un-register" so that your spot will open up to another consigner.)

We will be offering **3** Computer Training Sessions to help answer any questions you may have about the new computer system. Our Supply Sales will coincide with these sessions. Supplies we'll have available for purchase include **Wire Hangers, Safety Pins, Cardstock** (now needed for tag printing), and various sizes of **Large Ziploc Storage Bags**. Check the website for dates and pricing information.

Something new we are trying this year is to assign consigners to a Sale Team Member, who will be able to help answer any questions that may come up before the sale. This list is located on the website on the "Contact Us" page - be sure to find your contact person.

The changes our sale is undergoing may seem scary (for us too), but we believe that we are moving this sale in the right direction. Bear with us - we are learning too! The computer program is not hard, but if you run into a problem, PLEASE call your Sale Team Member. We are happy to help you in any way we can!

Happy Tagging Everyone!!
